

International conference
"Open Professional Collaboration for Open Classroom"
Kaunas, Lithuania

November 9, 2017

10:00 - 11:00 **Registration**

S. Daukanto str. 28 Kaunas (VMU Great Hall)

11:00 - 13:00 **Pre-conference Workshops**

Open Your Mind for Different Learning (in Lithuanian)

S. Daukanto str. 28 Kaunas (VMU Great Hall, 1st floor)

The session aims to discuss the variety of OER developed for school education and to explore the possibilities of ICT use for teaching, learning, assessment and feedback. Come and try – enrich yourself! - with hands-on experience in coding, science experiments, virtual reality and other.

Target group: School teachers and management

Organizer - Education Development Centre

Open Studies for Open Society (in English)

S. Daukanto str. 28 Kaunas (VMU Great Hall, 2nd floor)

The workshop aims to discuss practices in non-formal open learning curriculum designing, application of digital badges and recognition of non-formal learning in formal curricula. Cases from European higher education will be presented, and participants will be shaping up the future of education.

Target group: teachers, trainers, administration, society members who want to teach and learn online and recognise their learning results in formal education.

Organizer - Vytautas Magnus University, ReOPEN project

Electronic Platform for Adult Learning in Europe (in Lithuanian)

V. Putvinskio str. 23 – 413 Kaunas

EPALE portal, which is administered by the European Commission and available in all European languages, will be presented during the workshop. Participants will be introduced to its possibilities for professional development, communication and collaboration of adult learners and educators. The participants will receive certificates of attendance (registration to EPAL portal is required).

Target group: adult educators and trainers, learning organizers, librarians, leaders of local communities

Organizer - Electronic Platform for Adult Learning in Europe experts

Recognising Learning Achievements with Open Digital Badges. Lessons from a pilot project in UNESCO ASPnet schools in Lithuania (in Lithuanian)

S. Daukanto str. 25 Kaunas (V. Adamkus Presidential Library-Museum)

The workshop presents the experiences and results of the pilot project “Integrating Open Badge Standard in ASPnet Schools in Lithuania”, to motivate schools to become more active members of the UNESCO ASPnet community by integrating Open Badges, which helped systematically plan students’ learning, monitor progress, evaluate and award learning and achievements.

Target group: teachers, educators, youth workers, young people.

Organizer - Lithuanian National Commission for UNESCO, Lithuanian Association of Non-Formal Education

14:00 - 16:00 **Plenary Session. Re-considering Access, Quality and Flexibility of Education** (in English)
