

HOW TO CONNECT USING MEETING APPLICATION FOR ADOBE CONNECT (Option 1 - recommended)?

- Download and install Meeting Application for Adobe Connect:
 - for Windows: <http://www.adobe.com/go/Connectsetup>
 - for Mac: <http://www.adobe.com/go/ConnectSetupMac>
- Open the application, type the **video conference link that you were given** and click „Continue“ button
- Select „Enter as Guest“, enter your **Name** and click „Enter Room“ button.

Enter as a Guest

Name

HOW TO CONNECT USING INTERNET BROWSER (Option 2)?

- It is recommended to run [Adobe Connect Diagnostic Test](#) before connecting to videoconference (it will take up to 1 minute). You'll be recommended to update flash player version and install Adobe Connect Add-in (if applicable).

ADOBE CONNECT™

Adobe Connect Diagnostic Test

Test Results

You are ready to connect to your Adobe Connect meeting. We recommend installing the Adobe Connect Meeting Add-in for enhanced audio and screen sharing.
